Saloon: double space in leather and mahogany

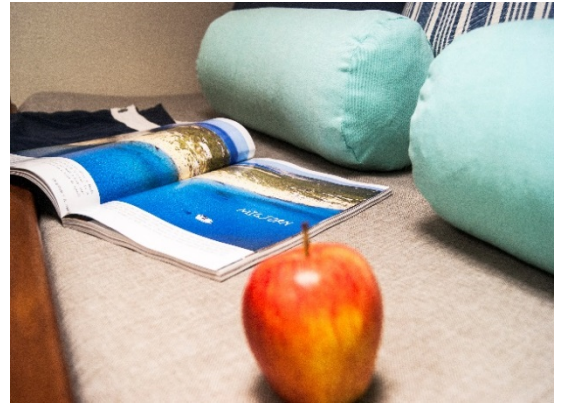

Main cabin

Bunk bed cabin

Double cabin

Spacious bathrooms

Let yourself be seduced by the details!

CABINS

Below decks soft materials and luxurious leather have been used to furnish the saloon and cabins which all feature oscillating fans and air circulating facilities. The five guest cabins offer one twin and four double berths with showers and toilets. All are finished to the very highest standards with refreshing ivory colors highlighted by rich, hand finished, mahogany fittings. Each cabin has generous storage space

SALOON

The large, modern saloon features two generous half moon settees, richly upholstered in pale Scottish leather. Meals can be taken around the drop-leaf mahogany table in the main saloon or under the open sky in the spacious guest's cockpit.

GALLEY

Aft of the saloon are the crew's quarters and the superbly modern galley. A full size gas cooker, microwave, fridge, freezer and icemaker mean that menus can be specially prepared to suit individual tastes, to suit the very young or the more educated palate. Products from local markets or fresh from the sea can be transformed into haute cuisine dishes or regional specialities.
